INTERNATIONAL MEETING FOR CHRISTIAN UNITY

The contribution of the Focolare Movement to the ecumenical journey

Sixty years of dialogue and life among Christians of different Churches call us to reflect on and share the rich experience of fellowship and light arising from the charism of unity. This charism, given by God to Chiara Lubich, is offered as a contribution to the journey for which Jesus prayed, "that they may all be one, so that the world may believe" (cf. Jn 17:21). The meeting is in the context of the 60th anniversary of the Centro "Uno" for Christian Unity, founded by Chiara Lubich on May 26th 1961.
